

# Worthington Valley Swim Club

## **2010 Group Rental Information**

We cordially welcome schools, churches, businesses, community associations, Scout groups, sports leagues etc. to Worthington in season. The size of the group that we can accommodate varies with the month of the year and the day of the week. In season weekends have the largest crowds of members and therefore are the most restricted to group rentals. Our main priority has always been and always will be to serve our members with the comfort and pleasure of a family oriented summer recreational facility. Both our club members and our valued neighbors have set extremely high expectations for the operation of the club. Our goal is to not only meet these expectations, but to exceed them.

Any group whose behavior adversely affects our members will not be welcome at our facility. We have decided to adopt a set of very strict and specific rules that outline the responsibilities of any visiting group. See Rules and Regulations for Group Rentals. Please contact us if you have any questions.
